

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 4, 1996

SUBJECT: **SB 2341 - HB 2246**

This bill, if enacted, will allow Shelby County and/or Memphis to adopt by local resolution or ordinance a procedure for the suspension or revocation of beer permits and the imposition of civil penalties through the general sessions courts or the municipal courts.

The fiscal impact on local governments from enactment of this bill in and of itself is estimated to be minimal since the provisions of the bill are permissive.

To the extent that Shelby County and/or Memphis elects to implement the provisions of this bill, the fiscal impact is estimated to be minimal since the effect of the bill is to shift costs from one agency of local government to another.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
